**Vendor Question No. 1:**

What was the prior annual award for this contract? If it was not an annual award, what was the total amount for the contract and for how long was the contract?

**City Response No. 1:**

*The average compensation over the last three years is: \$69,000.*

*The contract was awarded as an annual contract with the option to renew for five (5) additional one-year periods with negotiated pricing not to exceed the percentage change in the United States Bureau of Labor Statistics Consumer Price Index "All Urban Consumers for Los Angeles, Riverside and Orange County, CA" (CPI) for the most recent twelve (12) months for which statistics are available.*
